Speaking Engagement FAQ

GoalBusters will bring a lively, engaging and entertaining keynote, workshop or presentation to your next event!

We will work with you to create a **customized, interactive presentation** to engage and entertain your audience.

Our speaking package includes

- Initial consultation to discuss the needs and characteristics of your audience, content specifics and logistics
- Creation of handouts, if applicable, and visual (and sometimes other media) support for the presentation
- Educational, engaging and entertaining presentations ranging from 10 minute “TED-like” talks to multi-day workshops
- Supplemental social media promotion linked to your online presence
